NOTES

NOTES is a leading e-learning platform developed and managed by NimkarTek, designed to support professionals across the Textile, Leather, Footwear and Chemical industries.

As a ZDHC Accredited Training Provider (ATP), NOTES delivers accessible, cost-effective, and interactive online courses focused on Chemical Management and broader sustainability topics.

Since its launch in 2012, the platform has helped industry professionals build the knowledge and practical skills required to implement responsible and sustainable practices across the supply chain.
